8"	\$8,000	\$12,684	\$88,500	\$100	\$109,284

The developer must install according to specs. The city will inspect tap & meter installation.

4 to 8 inch Tap & Meter fees are charged at actual cost for time and materials and require a fully executed Agreement to Pay at time of application for service is made.

The Property Owner must provide his/her own shut off valve. Using the turn off at the meter is not permissible. Each parcel of land to be served by the city's water system shall be served by its own individual meter. A water meter can be relocated on the same parcel of land after making application and paying the cost estimate prepared by the Public Utilities Director.
