Dear Community Members,

It's time to put 2021 behind us and move forward hoping for a great 2022! Our Special Events and Tourism Coordinator, Lindsey Fitzgerald has some creative and fresh ideas to bring to our event schedule this year. We have a great year planned for the city and need community support and involvement to build and grow these events. Don't miss your chance to be part of the excitement and partner with the Cornelia Downtown Development Authority & the Cornelia Hospitality & Tourism board in hosting the following great events.

You can now donate directly to our Sign/Façade Grant fund! This grant fund helps give back to our downtown businesses by encouraging business owners to improve the aesthetic of their space either by renovating the outside or getting new signage. When the facades of our businesses look good, people are more inclined to go inside. Also, if the town is aesthetically pleasing, it lets people know that we take pride in our community and encourages new businesses to come in! Please consider adding a donation to our grant fund so that the DDA can keep the momentum going!

Façade/Sign Revitalization Fund- Ongoing

The Revitalization Fund helps business owners pay for improvements to their facades or signs and makes the whole community more appealing. This grant fund is a key operation of the DDA, which has proven to be a fantastic and much needed opportunity in Downtown Cornelia. Please consider donating to this fund for the betterment of our entire community.
