2. New Business

a. Tree Lighting

The tree lighting has been scheduled for Nov 29th. Usually it is on black Friday, but it was changed to Saturday to avoid conflict with the GA vs Ga Tech game happening Friday afternoon.

b. Christmas in Cornelia

Christmas in Cornelia is scheduled to be on Dec 6th. However, many board members pointed out that the Baldwin Christmas parade is scheduled the same day and almost at the exact same time. Lindsay Dilbeck and Zach Staggs both suggested combining the tree lighting and Christmas in Cornelia. Noah will reach out to the vendors that have signed up already to see if they are good at switching. If they are on board Noah will change the marketing materials

c. Award ceremony

The award ceremony is approaching. Noah informed the board to be considering community members who could receive awards. The board collectively agreed that Connexion Church is a great venue to host the event. Originally the board mentioned having the first Thursday to go along with our meeting schedule. Lindsay Dilbeck claimed she would be gone that Thursday at a conference. The board instead considered Tuesday Feb 3rd, 2026. Noah reached out to Stan Crump a member of the church to see if it was available. He claimed it was and penciled us in for that date.
